

NEMO^{USA}

NEWTON

Floor LED lamp with structure in chrome metal or glossy black lacquered and white painted aluminum diffuser. The diffuser rotates and illuminates the natural element, in a mixture of direct and diffused light. A high performance LED source has been provided to reproduce the colors and nuances of the apple as faithfully as possible. Characterized by a playful reference to the anecdote of the apple that fell on Newton's head making him guess the existence of the force of gravity. Pedal switch dimming.
